

Transportation Funding in the Next Four Years?!

Please join us at a
Transportation Forum for State Legislators and Local Elected Officials
On December 13th at 7:30 a.m.
At the Ocean Gateway Terminal on the Portland Waterfront

Please join us for a briefing and discussion on the regional transportation opportunities and challenges facing the PACTS region ó including the draft recommendations from this decade's most important regional transportation study. This is our third öbiennialö briefing. Fifty (50) people attended in 2008 ó including 16 state and local elected officials.

Representative Ann Peoples (Westbrook), a two-term member of the Transportation Committee, will lead the discussion. We have also invited Representative Rich Cebra (Naples), also a Transportation Committee veteran, to attend.

We will feed you! Please call Maddy Adams at 774-9891, or email her at madams@gpcog.org, with your attendance plans.

Draft Agenda

- 7:30 Continental breakfast
- 8:00 Welcome
- 8:10 Presentation on Transportation Policies and Challenges in the PACTS Region
- 8:20 Discussion led by Representative Ann Peoples
- 8:45 The Gorham East West Corridor Study's Draft Recommendations
- 9:00 Discussion led by Turnpike Staff
- 9:30 Adjourn.

Directions and Parking for the Ocean Gateway Terminal

The Ocean Gateway Terminal is at the northeastern end of Commercial Street. Take the Franklin Street exit of I-295. Drive to the end of Franklin Street and then take a left onto Commercial Street. You will find the terminal 200 yards away on the water's edge. There is plenty of free parking at the terminal at this time of year.
