

**PACTS Sandwich Symposium**  
**Topic: Complete Streets**  
November 21, 2008  
12:00 Noon - 1:00 p.m.  
GPCOG office, 68 Marginal Way, 4<sup>th</sup> Floor, Portland, ME

On Friday November 21<sup>st</sup> PACTS will be holding another “Sandwich Symposium” at 12:00 NOON, this time on Complete Streets.

From Wikipedia:

*Complete streets are roadways designed and operated to enable safe, attractive, and comfortable access and travel for all users. Pedestrians, bicyclists, motorists and public transport users of all ages and abilities are able to safely and comfortably move along and across a complete street. Proponents claim that Complete Streets also create a sense of place and improve social interaction, while generally improving property adjacent land values.*

PACTS’ sandwich symposia are BYO lunch; we may provide coffee and water only.

Our featured panel on the subject will be:

- Mitchell Razor - Landscape architect with MRLD, Inc., experienced with Complete Street solutions
- Dan Stewart - Maine DOT - Bicycle & Pedestrian Program Manager
- Christian McNeil - GrowSmart Maine, working on Complete Streets initiative/policy with the Maine Legislature

**AICP Certified Planners:** For anyone who is AICP, *following the lunch* at 1:00 PM will be a Complete Streets DVD presentation at which you can earn 2CM credits at **NO COST** as well.

Please email me to register for one or both sessions.

When responding, please indicate if (A) you will be coming to the Sandwich Symposium at 12:00 noon, and (B) if you will be coming to the AICP DVD session at 1:00.

**SPACE IS LIMITED for EACH to about 40 attendees.**
