

Maine Clean Communities = MC²

***A Clean Cities Program Promoting Clean Fuel Vehicles, Energy Independence and Clean Air
Administered by the Greater Portland Council of Governments***

Addendum to the Memorandum of Understanding between the US Department of Energy and Maine Clean Communities Stakeholders

I have read the Memorandum of Understanding between the US Department of Energy and Maine Clean Communities (MC²) stakeholders.

_____ wishes to become a signatory to this MOU, and commits to incorporating the use of alternative fuels and fuel reduction strategies in its fleet as feasible and to supporting legislation promoting the use of alternative fuels and alternative fuel vehicles.

Stakeholders are expected to attend bi-monthly meetings. Please check any additional commitments you want to make on behalf of your organization to support Maine Clean Communities:

My organization/business commits to:

_____ Incorporating the use of alternative fuels in our fleet as feasible.

_____ Supporting the development of alternative fuel infrastructure in the State of Maine.

_____ Incorporating advanced vehicle technology into our fleet as feasible.

_____ Educating the public on and raising the profile of alternative fuels and/or advanced vehicle technology

_____ Working with the Coalition to identify and secure funding and grant opportunities and/or identifying potential project partners for alternative fuel and advanced vehicle technology projects.

_____ Supporting MC² on legislative efforts critical to Clean Cities issues.

_____ Assisting MC² in stakeholder recruitment.
